The MARCS Appreciation Fly-In

This past month, the MARCS club held an appreciation all-you-can-eat fly in as a thank you to all who have helped make our RC auctions such a great success. We thank those of you who have helped by working the events, those of you who have helped by donating auction items, and those of you who have helped by purchasing items at the events.

The fly in day included a mixture of weather, some clouds, some rain, and some clearing skies. Although the weather was not the most favorable for flying, the participants who attended enjoyed a food filled afternoon! Props (pun intended) to those of you who helped put on a great day at the field, including chef Brian.

Some photos are included on the next few pages. Enjoy!
