## Summertime Monthly Meetings

Beginning with this month's meeting, we will be moving back to the flying field. Traditionally, May, June, and July are held at the field with start times remaining at 7:30 PM. A lot of members come early to fly before the meeting, so please join us, and bring along a chair as seating is limited for the meeting.

## New Member Vote

During this month's meeting, we will be voting on a new perspective member, Jim Comunale, who hails from Trafford.

## Spring Cleaning

Remember the upcoming Spring Cleaning at the flying field. Hands and tools are needed to cut trees and brush, and organize and clean the flight shed. Please be at the field at 9:00 AM this Saturday, May 14<sup>th</sup>.

## Thanks Joe

As mentioned in last month's newsletter, Joe Dantonio conducted a soldering workshop after last month's meeting. Six participants were treated to soldering theory, hands on practice and handouts. A big thank you goes out Joe for sharing his time, knowledge and equipment.
