Club Reminders

Flight Times:

- SUNDAY - 12:00 Noon until dark.
- OTHER DAYS - 10:00 A.M. until dark
- For quiet electric park flyers or unpowered aircraft only: Permitted Flying Hours - 8:00 A.M. until dark, seven days a week

2023 dues are now being accepted at the monthly meetings, or by the club treasurer Carl Adams.

Monthly Meetings

We continue to hold our monthly meetings at the Monroeville Public Library over the course of the colder weather.

So remember:

- New Location: **Monroeville Public Library**
- New Start Time: **6:30 PM.**

Slow News Month

There isn't much to include in this month's newsletter because gathering and flying has taken that perennial back seat to the weather and holidays. If you have anything that you would like to have included in next month's newsletter, feel free to shoot me an email and I'd be happy to add it to next month's (January, 2023 already!) newsletter. Thanks, Dave Brodak: slopo2@comcast.net

2023 Membership and MARCS Roster Update

Dues are now being accepted for 2023. Also, please inform Carl Adams of any changes that have occurred to your contact information (address, cell and home phone numbers, email address). This will keep our roster current and will assure that you will receive all communications as well as the newsletter. If you intend to pay your 2023 dues at this month's meeting, please see Dave Brodak, as Carl Adams will not be there.

Next Monthly Meeting

When: **December 8th, 2022 @ 6:30 PM**

Where: **Monroeville Public Library**

*** Meetings held 2nd Thursday of each month ***

MARCS Flight Line Safe Practices

Attached to the newsletter email is a file that contains the MARCS' Flight Line Safe Practices that everyone using the MARCS flying field should be familiar with. Below is a screen capture of the link on our website to this document if you want to visit it using your browser.

And here is a direct link: <http://www.remarcs.org/fltsafe.pdf>

Traditional New Years Fly

Don't forget the traditional fly at the field held on New Year's Day, January 1st. Only extreme conditions of wind, snow or rain will stop the festivities. Come join us for a fun filled afternoon of flying and camaraderie, starting at noontime. And if you would like to volunteer to be the chef, we have a gas grill with your name on it.
