This month's meeting, July, will be the last meeting to be held at the flying field in 2023. Next month, August, the meeting will move to John Bumbaugh's pool house (time and location information forthcoming in the next REMARCS newsletter), and starting in September, the meetings will return to the Monroeville Public Library and remain there over the colder months.

MARCS Work Party

The work party which was set for June 24th was not hampered by the predicted rain, and the field received a "face lift". President Walt Greene extends his thanks everyone who participated. Photos are on the following page.
