Club Reminders

Flight Times:

- SUNDAY - 12:00 Noon until dark.
- OTHER DAYS - 10:00 A.M. until dark
- For quiet electric park flyers or unpowered aircraft only: Permitted Flying Hours - 8:00 A.M. until dark, seven days a week.

New Membership Applications

We will be voting on two potential new members at this month's meeting. Anthony Sciotti of Delmont, PA and Kenneth Martin from Cheswick, PA have both applied in the past month.

Newsletter Distribution List

By now everyone should have renewed their club membership for 2024. The newsletter distribution will be based on the current roster come next month. If you don't receive the news letter in May, it could very well be because your name does not appear on the roster for some reason. If this is the case, please contact either myself or Carl Adams so that we can determine why.

Next MARCS Auction and Flea Market

The club's spring auction and flea market was held in Delmont this past Saturday. Uncharacteristically, I forgot to snap some photos of the event, although if you were there, you know that we had a lighter than normal turnout, in both the amount of auction and flea market items, as well as public attendance. There are a couple of reasons that this can be attributed to. First, our auction and the Toledo R/C swap meet and expo was held the same day, the scheduling of which was complicated with the way Easter fell this year. Second, it was opening day of trout season in Pennsylvania. Despite the smaller crowd, the profits for the club were respectable thanks to left over club product from last year, and some new product that was donated to the club this year. Details will be available at the meeting this Thursday.

High Point Aviation R/C Event Invitation

Please see the announcement of the next R/C event being held at High Point Aviation on page 2. Page 3 and 4 contain fliers of previously announced events.

Next Monthly Meeting

When: **April 11th, 2024 @ 6:30 PM**

Where: **Monroeville Public Library**

*** Meetings held 2nd Thursday of each month ***

High Point Aviation R/C Event

SW PA. at High Point Aviation Airfield

Jim Dolly, owner of the High Point Aviation Airfield near Cumberland, MD is opening his field to R/C pilots from the SW Pa area. If you have never heard of High Point take a look at the March 2024 Model Aviation Magazine. There is a very good article on one of the 3 Scale Aerotow events that are held there every year.

The date for our event is May 28, 2024. This will be a fly what you bring type event and is not limited to sailplanes. Although, if you have a sailplane and the wind is from the West you may experience the power of a large slope. (It's awesome!)

Date: May 28 th

Time arrive 10:00AM

Directions to High Point can be found at <https://www.camsrc.org/>
The mountain road to the airfield is a little rough. Don't bring a low slung car as you will be walking. My Chrysler Pacifica has no problems going up the road.

landing fee is \$20.00

If you are interested in attending, please let me know by sending an E-mail to pyothers@wpa.net. Let me know, Name, Address, AMA number, phone number.

Lunch can be offered for a cost (usually \$10.00), let me know if you would be interested in that.

Thanks,
Mark Yothers
AMA 1080, Member LHMAL, KCRC, and MASS
