Auction News

The auction on Sunday, February 1, 2015 was a fun day and successful one as well. The Auction Committee has done another superlative job assembling the auction. The membership again showed their support by performing their assigned duties admirably.

I personally want to thank Gene Binduga, Dave Frew, and the rest of the committee for another job well done. I want to thank all of the members who helped on Saturday and Sunday to make the auction such a success.

This financial success of our auctions is bitter sweet. The estates that were sold helped add to our proceeds, which is the good news. The bad news is that we lost members either through death or loss of interest in the hobby for various reasons.

The Financial Report will be given during the meeting on Thursday, February 12 at the Murrysville Community Center. Hope to see you there.
