Fight to San Francisco

Enjoy this web article brought to you by Duie Matenkosky and Walt Greene:

This is really neat. However, I am surprised they would be allowed to fly so close to each other. How cool is this?

Can you imagine all the passengers in that plane all heading to that side to witness this!

When passengers boarded this plane bound for San Francisco, they never could've guessed what they would encounter near the tail-end of the flight. During the flight, just off the left wing — as visible in the video — there emerges a totally futuristic aircraft.

What was it?

Virgin Galactic's brand new SpaceShipTwo and its mothership plane, the White Knight II. Even more impressive, the aptly named SpaceShipTwo (it literally goes into space) executed a parallel landing with the commercial airliner.

Next Monthly Meeting

When: **March 10, 2016 @ 7:30 pm**

Where: **Murrysville Senior Citizen Center**

*** Meetings held 2nd Thursday of each month ***

Reprint of Offers

Dear members, below is a reprint of two offers to club members that I circulated last month on Feb. 16. I assume that both of these offers are still active, as I have not heard anything to the contrary.

I have two timely announcements to offer all of you. The first is a bus trip to the United States Air Force Museum, and the second is an offer to our members for a piece of equipment. Below is more information on these two offers, and there are attachments to this message with even more detailed information.

United States Air Force Bus Trip

The Deer Lakes Pilots Club is inviting any of our members to join their sponsored bus trip to the USAF Museum, departing Saturday, April 17th and returning Sunday, April 18th. Refer to the attachment to this message for more detailed information regarding price and what is included. If anyone has questions, please contact MARCS member John Crawford at his email address of jacrfd32@aol.com. The Pilots Club would like to finalize their plans and would appreciate anyone interested to sign up very soon.

Scooter Lift

MARCS member Herb Hayweiser is offering his scooter lift that was installed on his previously owned Chevy Impala. This offer is free of charge to any club member who can use it. It is a Harmar, model number AL100, and can be found on the website www.harmar.com.

Also, attached are two photos from his user's manual. This scooter lift is currently setup for a 1-1/4 inch hitch, but can be switched to work with a 2" hitch with little work.

You can reach Herb at 412-793-9383 (home), or 412-445-0949 (cell).

Indoor Fly-In

Once again, Tailspin Hobbies hosts indoor flying sessions for small electric craft throughout the colder months at the Saltsburg Center, 718 Pine Street, Saltsburg, PA (only a short distance from our field). \$6.00 for 3 hours, from 7:30pm to 10:30pm. All are welcome to come and have some indoor flying fun!

The remaining 2016 dates are:

- Mar 11th & 25th

Click on the ads below to visit hobby shops' web sites.

Both Tailspin Hobbies and J&C Hobbies are members of AMA's Hobby Shop Program. Both shops offer enrollment service for new and renewing memberships, and store discounts.
