### This Month's Newsletter

You will notice that this newsletter is a day later and short on content from previous newsletters. Unfortunately, I can attribute this to being clumsy while flying with friends. Please respect the pusher prop style airplanes when hand launching them. I learned the hard way this Sunday, and have stitches to prove it.

I have no excuses, as it was just my complacency. And, First Aid kits are a must to have on hand. Luckily, Dave Blackmore had a roll of paper towels and some electrical tape in his truck! Thank you Dave!

### New Member Application

David Kratz of Verona, PA applied to become a member of MARCS, and will be voted on at this month's meeting.

### This Month's Meeting

Our monthly MARCS meetings are being moved back to the Murrysville Community Center, starting with this month's meeting, and will remain there throughout the winter months. The start time remains the same at 7:30 pm. Use the back door entrance again this month.

See you all there!
