DATE CHANGE!

The event date has changed to Friday, April 14th, 2018.

The date change was needed due to a conflict with Toledo Show R/C Expo. The change was discussed and approved at last month's meeting, and all RSVP's that have been received are still able to attend. In fact, one more has been added to the list as being able to attend because of the date change!

What about you? Have you submitted your RSVP yet?

Dave Brodak will be gathering the RSVPs for this event. Please contact him at his email address (slopo2@comcast.net), or his cell phone of 724-757-5640, and let him know the number of people who will be attending.

Send your RSVP today!

Public Relations:

Dennis Pollock submitted this status update regarding his efforts in getting our club info published in local newspapers. Progress is being made!

*****PUBLIC RELATIONS*****

Denny Pollock made contact with the Trib. Newspaper to do an article of our club in the “Out and About” section of the Tribs' Lifestyles Category around the 1st of April since the flying season begins. He received a response from Trib. Reporter, Patrick Varine, who also reports for the Murrysville STAR weekly newspaper. He was enthused to meet us & bring a camera crew to do some video at our flying field. In addition, Patrick suggested we could provide a demonstration & display some of our models to the Franklin Regional School STEM program for the youth involved in the Science/Technology/Engineering/Match curriculum. Denny will make arrangements for a date to meet & discuss the club & RC.

The next contact was made to Georgia Boring, the Managing Editor of the Penn-Franklin News, to do a full page article with photos of the MARCS organization. She was very receptive & provided information to get in contact with several Murrysville Organization directors who may find interest in our club for their Venture Program for older teens. There is also a possibility to connect with several of the local Boy Scout Troops who may indicate some interest with a demo.

The next contact was Carly Greene, Recreation Director for the Murrysville Recreation Department. Carly indicated she was very interested to have our club & club activities listed on the Murrysville Web Site Community Programs. She said the present web site is going to be revised with changes, so it would be best to wait until the new site revision is complete.

Denny has written the article for the Penn-Franklin News & submitted a copy to Walt Greene, club president, to allow the officers to read the article & edit any changes they feel need done & provide contact information for the article readers who may be interested in contacting the club. Also, photo submission parameters were given to Dave Brodak for the photos to be sent to the Penn- Franklin News.

Flying Events

Our club has received information on a few flying events occurring in 2018. See the information listed below and refer to the two PDF attachments for details.

All,

The Fauquier Aero Recreational Modelers will again be hosting its two annual charity Float Fly events in 2018.

These Events are Scheduled for Saturday, 23 June 2018, and Saturday, 22 September 2018.

- These are rain or shine events for the days they are scheduled.
 - These AMA sanctioned events are open to AMA members.
 - The venue includes a shaded pavilion with indoor restrooms.
 - The events will run from 9:00 am to 4:00 pm.
 - \$20 pilots fee (air and surface).
 - Lunches will be available for \$6.
 - We will be holding raffles and 50/50's with extra prizes.
 - We will again be collecting non-perishable food and monetary donations for the Fauquier Community Food Bank. (Note: A free 50/50 ticket will be given to all donators.)
 - We will be holding informal Participant SWAP Meets from 9:00 am until Noon.
- The Flyers for these two 2018 Float Fly events are attached.

- Hope to see you and your friends and families at the Lake Ritchie.
- 5177 Lake Ritchie Road, Bealeton, VA 22712
