### July's Monthly Meeting

**REMEMBER**, this month's meeting location is again at the flying field. Please attend the meeting and bring something to fly. Folks tend to gather a few hours before the 7:30 pm start time to take advantage of the flying, although last month seemed more like winter than summer! Here are a few photos from June's meeting.

Cold weather attire required!

## Flying Events in the Area This Summer

In last month's newsletter, I mentioned a PDF file that listed a bunch of the tristate area's flying events, and I inadvertently forgot to attach the file. Although I did follow up on June 21<sup>st</sup> to all members providing the missing PDF, the file is attached again to this newsletter message to correct the error. Be aware that the first 8 pages of event dates have already passed.

The file will show as an attachment to the newsletter email.

## This Month's Door Prize

Dick Blewitt has donated a door prize for the July meeting. All attending members at the meeting are eligible to win the "kit in a box" shown below.
